Dear Chicagoland Real Estate Leaders:

I am writing to request your assistance.

AgentsCompared.com helps prospective Chicagoland home buyers and sellers make more informed decisions when selecting a real estate agent. You may have read about the site recently in the Chicago Tribune, Chicago Agent Magazine, Inman News, and other media outlets.

AgentsCompared.com also helps Chicagoland real estate agents win over buyers and sellers who are looking for an agent by emphasizing their strengths. Our Standard Plan subscription is free (no referral or other fees), and we are an Affiliate Member of the Chicago Association of REALTORS®.

You can make a significant contribution to our effort by simply encouraging your Chicagoland real estate brokers and salespersons to give our site a try. You'll be making your people aware of a new, free tool for generating buyer and listing leads, while at the same time helping Chicagoland buyers and sellers make more informed decisions when selecting a local real estate professional.

On behalf of AgentsCompared.com, and prospective home buyers and sellers throughout Chicagoland, thank you very much for your consideration.

Respectfully,

Michael Erdman
